To,  
Mr. Satish Kini  
Principal Consultant and Director  
Novella Hospital Management Systems  
Mumbai.

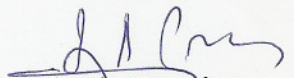

Dear Mr. Kini

The work of total computerization system of our hospital was entrusted to M / S Novella HMS. The main object of total computerization system was to bring co - ordination among all the wards and reduce the discharge timing and with the implementation of Novella HMS we have succeeded in our Aim.

During the implementation work Mr. Sachin Chawan has taken lot of efforts to built this system in our hospital, we are thankful to Mr. Sachin for his responsiveness and helpful attitude, when fully put into use I hope this system will be a unique one, custom made to suit our specific organizational requirements.

We, on our part to anticipate a long and harmonious business relationship & have no hesitation in recommending the Novella HMS to any multi speciality Hospital.

Yours faithfully,

  
L. A. Pereira  
Manager
